

Pitch, Hit and Run Softball – More informatio

This league is for u11 players only between the ages of 9-11. All schools entering this league will run alongside the school league during Term 3 and will only be allowed to use players that are in their school. However, if you as a coach would like to enter a club team, you may do so, as long as all the players in your team, does not have a school that is already playing softball. If a player in your team has a school playing softball in that age group, they would need to play for them. However, if their school only offers softball in Grade 6 and 7, and they are in Grade 4, they can play for the club team until they reach Grade 6.

Should you enter the girls section you may have a maximum of 3 boys playing in your team, whom unfortunately cannot pitch or catch and at least one of the 3 boys will have to play in the outfield. This programme has been designed to take pressure off the pitchers by having a coach or assistant coach pitching to your own team during their batting turn.

Should you enter the boys section you may have a maximum of 3 girls playing in your team and they will be allowed to play in any position on the field. Each team will be allowed to play with 8 players of which 2 will have to be in the outfield.

Rules:

1. No infield fly
2. No stealing. The player can only advance to the next base when the ball is hit fair.
3. Immediate out on drop 3rd strike irrespective of who is on first or not.
4. Coaches/Assistant coaches must pitch to their team from the demarcated line on the field.
5. A player must catch in full catching gear.
6. No bunting allowed.
7. You can have 3 outfielders but only if the other team has 3 outfielders. If they only have 2, then you can only have 2.
8. You can bat up to 10 people, but they must stay in that order for the whole game.
9. You will bat for 15 minutes and field for 15 minutes and you will repeat this twice, to ensure the game is one hour long.
10. The rest of the softball rules apply according to ISF rules.

Fixtures will only be available by the end of June once we have received the registration forms timeously.
